KADIMA EVENTS

How about a Kadima group outing to hear Wendy Mogel on November 7?

Mogel, a nationally known clinical psychologist and parent educator from California, is the author of *The Blessings of a Skinned Knee: Using Jewish Teachings to Raise Self-Reliant Children*. Her book offers some down-to-earth thoughts on current parenting dilemmas as well as some interesting teachings from traditional Jewish sources. She will speak at Town Hall on Wednesday evening, November 7 at 7pm. We'll probably be tired that night, but could have a follow-up conversation at a Kadima Sunday.

Call Denise Sterchi at (206) 524-6191 if you are interested.

Study Buddy Literacy Tutoring Program

Making a Difference, One Child at a Time

Study Buddy is a social justice program sponsored by the Jewish Education Council of the Jewish Federation of Greater Seattle. The program matches volunteers with children in grades K-8 who need academic support. We recruit, train, and place tutors in schools and provide on-going support to them. For many students, this opportunity to meet regularly with a knowledgeable, caring, and committed adult is the greatest part of the program. Commitment is one hour per week, and before- and after-school hours are available. For more info contact Starr at starr@jewishinseattle.org or (206) 774-2279.
